

2023 Delta Bass Club Classic

Registration Form

Name of Club: _____ Date: _____
Name of Club President: _____ Phone #: _____
E-Mail Address: _____ Cell Phone #: _____
Address: _____

THIS REGISTRATION FORM MUST BE FILLED OUT COMPLETELY AND RETURNED NO LATER THAN September 23, 2023. If you can send the Registration Form early it would be appreciated.

A CLUB team consists of 6 (six) boats. All club members must be from the same club and in good standing (a member of the club for the last 6 (six) months). Each club needs to list their top twelve (12) anglers based upon the club's vote or point standing but send your best.

The club president will represent their club. Each club president will ensure that their club has an insurance policy and in addition to that each boat from their club registered in Club Classic must carry proof of a boat owner's liability insurance policy. By signing this registration form, the club president verifies that that the Club and all boats have insurance. Each participant must sign a release of liability from and retune with roster.

Club Classic official rules will be available on-line well before the event. Each club president will be issued the official rules. If there are any questions please ask for clarification from the Club Classic rules committee. The rules are pretty basic 5 fish per boat, 13" and are in on time....

The cost for each participating angler is \$60, for a total of \$720 for the club for 12 anglers/6 Teams. The cost also includes a BBQ meal to be provided to each angler after the tournament. BBQ meals are also available for additional guests at \$5 per person. Please return the completed form along with a check for \$720.00 plus the costs for any additional BBQ meals to the following address.

**Delta Bass Club
P.O. Box 217
Oakley CA, 94561**

Each club will determine their own pairings and teams. Each club will have two teams per flight. List your anglers as you wish them to blast off and come in. Please turn in the pairing list by September 23, 2023. Turning in the roster on time will help us publish flight roster for all to see. It will also give us time to make entries into the "Weigh-in computer program". Once all clubs turn in their Roster a drawing will take place. The drawing will place the order of the clubs for blast off. If a club is drawn first then that club will have position of first and last in each flight. If a club is drawn second then that club will have second position and second to last in each flight. If a club is drawn last then that club will have the two middle positions in each flight.
